

Dutchman's Puzzle Variation
10"
4 Fabrics

Cutting:

Background:

4 rectangles @ $4\frac{1}{2}'' \times 2\frac{1}{2}''$
 8 squares @ $2\frac{7}{8}''$ cut once diagonally

Yellow/Gold:

1 square @ $2\frac{1}{2}''$

Dark Blue and Medium Blue:

1 square of each color @ $5\frac{1}{4}''$ cut twice diagonally

Piecing:

Flying Geese Units:

Sew the background half-square triangles to the short sides of the Dark Blue and Medium Blue quarter-square triangles. Make 4 of each color.

Following the diagram at right, sew pairs of Medium Blue/Dark Blue geese together. Make 4. Sew a Background $2\frac{1}{2}'' \times 4\frac{1}{2}''$ rectangle to the left side of the units just made. Make 4.

Partial Seam Piecing:

Layout the block following the diagram to the right. Align the center Gold square with the rectangle above it. Stitch from the center of the square to the right, leaving the remainder of the square free. Press away from the square. Align the upper right rectangle and stitch the second seam. Press away from the square. Work your way around the block, adding each rectangle in order. Next complete the partial seam between the final rectangle and the first rectangle.
